---------------------------------------	----	---------------------------------------

Publication of Auction Results

June, 17 th 2010 – 16:00 h

Peak Product**250 MW**

This product is valid

every Monday, Tuesday, Wednesday, Thursday and Friday from 08:00 h – 20:00 h

except for the periods defined below in which only a reduced capacity can be obtained. The reasons for the reductions in the profile arise from maintenance works necessary for grid security. During these maintenance periods with reduced capacity values the rights obtained for the Peak Product are reduced pro rata.

Product due to Italian holiday and maintenance periods

PTR Holder may contest the Auction results according to the conditions no later than one working day after the Auction has been performed. Contests must be exclusively sent to fax nr. +41 58 580 27 27 and / or by email to: auction.office@chtso.ch.

The Auction Operator shall reply to the PTR Holder one working day after the reception of the contest.
