
Rainer Mühlberger

Head of Technology

Born in 1958, Swiss / German

Rainer Mühlberger has a degree in mechanical engineering as well as an Executive MBA from the University of Fribourg. He began his professional career in the telecommunications sector. From 1996 until 2000, he worked as Project Manager Corporate Strategy at Swisscom AG. He then moved to Swisscom Fixnet AG where he served as Head of Strategy and Business Development, and from 2002 until 2007 as member of the Executive Board – first as the Head of Business Development, then as Head of IT. In 2008, he was appointed as CEO of Swisscom Directories AG. He joined Swissgrid in December 2011 as Head of Strategy. In his function he significantly contributed to the successful transfer of ownership of the Swiss transmission grid as at 3 January 2013.

Rainer Mühlberger has been a member of the Executive Board at Swissgrid since October 2013. After being Head of Strategy & Development, he became Head of Technology as at 1st February 2016.
