Powering the future – Swissgrid is the National Grid Company. As the owner of the Swiss extra-high-voltage grid, it is responsible for operating the grid safely and without discrimination, and for maintaining, modernising and expanding the Swiss extra-high-voltage grid efficiently and with respect for the environment. Swissgrid employs over 430 highly skilled persons from 22 countries at its sites in Frick, Laufenburg, Uznach, Landquart, Ostermundigen, Prilly and Castione. As a member of the European Network of Transmission System Operators for Electricity (ENTSO-E), it is also responsible for grid planning, system management and market design in the cross-border exchange of electricity in Europe. Multiple Swiss electricity companies jointly hold the entire share capital of Swissgrid.
