## Template 4

Authorisation to manage schedule messages and to receive the imbalance data for the balance energy volume

The Balance Group Manager (BGM)

Principal

hereby authorises

Authorised Representative

in accordance with paragraph 1.6 of the General Balance Group Regulations dated 1 June 2022 of Swissgrid Ltd, Bleichemattstrasse 31, P.O. Box, 5001 Aarau

- **to manage schedule messages as well as**
- **to receive imbalance data for the balance energy volume.**

The Authorised Representative shall manage the schedule messages particularly taking paragraph 3 (schedule management) of the General Balance Group Regulations into consideration. The Principal confirms that the Authorised Representative has been given the General Balance Group Regulations of Swissgrid Ltd.

The Principal guarantees Swissgrid Ltd that the Authorised Representative shall carry out the obligations it has been delegated in full. The Principal hereby acknowledges that it is legally bound by all actions and statements of the Authorised Representative. The Principal remains responsible at all times to Swissgrid Ltd for ensuring that the obligations are fulfilled.

This authorisation is valid until
